

Ordering books online from Lethbridge College Bookstore

First, you will need a list of the classes you are taking in the fall. This can be found on your Lethbridge College Canvas page.

Please visit our website, www.lethbridgecollegebookstore.ca. From there, you can click on the TEXTBOOKS tab to Buy Textbooks. Other options are available on this page as well, including ordering access codes and e-texts.

TERM: choose the term for which you are buying books

DEPARTMENT: use the three-letter prefix for the class you are looking for (SOC, PSY, etc)

COURSE: the class you are searching for (ie, SOC-1160)

SECTION: the section you are searching for (ie, C01)

You will need to do this for **each class**.

When your Current Course List is complete, click on the COMPARE PRICES button and you will get a list of books for all your classes. You can then order the books right from this site. Remember to check if the book is **Required, Optional, or Recommended**.

You will need to create an account before you are finished.
