

when complete

- Log in to your **Lethbridge College email**. You are expected to check it often for important information and updates.

- Log into **Canvas**. This is the Learning Management System (LMS) used by most LC programs. Think of this as an online classroom where you can access course materials, assignments, quizzes, exams, grades, discussions and much more.

- Explore **The Hive**. This is where you can get up to date information about important dates, events, resources and services.

- Check out our helpful **New Student Orientation module** in The Hive.

Log into WebAdvisor to:

- check if you are registered in your courses.

- access your class schedule.

- Connect your mobile devices and **download the mobile apps**.

- Submit your selfie online** to create your student ID. Don't forget to update your mailing address in WebAdvisor to ensure you receive your ID.

- Visit the **Lethbridge College Bookstore**, online or in person, to order your books, course supplies and parking pass.

Check important deadlines and add them to your calendar, including:

- add/drop dates.

- tuition due dates.

- Review the **Student Rights and Code of Conduct Policy**.

- Get to know the **Wellness resources** available to you, including **Lifeworks Student Support Program**.

- Review the **Student Health and Dental benefits** program coverage.
