Worker's Compensation Board Coverage: As a result of Workers' Compensation Regulation AR 325/2002, Section 7(1)(e), the Workers' Compensation Act applies to students registered in off-campus education programs, including Green Certificate. Section 153(3) of the Act states that, for the purposes of insurance coverage, these students will be considered to be workers employed by the Government of Alberta. This may be important for Green Certificate Job-Site trainers to consider prior to becoming involved in off-campus education programs, since it does affect procedures for reporting student injuries. Additional detailed information regarding any off campus education programs can be found within the "Off-campus Education Handbook" (<http://education.alberta.ca/teachers/program/off-campus.aspx>). When a student is engaged in approved off-campus education activities, that student is regarded as an employee of Alberta Education. Student injuries are covered under Alberta Education's WCB account. The Government of Alberta shall provide coverage under the Worker's Compensation Act for the Green Certificate Student/Trainee working on an APPROVED training farm site, EFFECTIVE FOR THE TERM OF THIS REGISTRATION, WHEN SIGNED. The Job-Site Trainer named in this Registration Form is NOT COVERED by the Government of Alberta under Worker's Compensation Benefits.

Liability Waiver: The Government of Alberta shall not be liable for any damages including consequential damage, to the equipment or to the farm operation of the farmer caused by Student/Trainee or incurred through the Job-Site Trainer's employment/training of the Student/Trainee. Alberta Agriculture and Rural Development may terminate this registration at any time with notice in writing.

Privacy: Personal information on this form is used for the administration of the Green Certificate Program, under the authority of the Freedom of Information and Protection of Privacy Act section 33(c). Information provided is protected under the authority of the Freedom of Information and Protection of Privacy Act. Your name, school, and birth date may be shared with Alberta Education for high school credit transcript information. If you need more information, contact the provincial Green Certificate office at 780-968-3551.

I have read and acknowledge the above terms and conditions. Participants may withdraw from the Green Certificate Program at their discretion with verbal or written notification to the regional coordinator.
