

# **BOARD OF GOVERNORS**

**Policy Type:** Executive Limitation  
**Approved:** November 21, 2006  
**Revised:** June 2018

## **EL-11 – Ethical Research**

The president shall not cause or allow research involving either human participants or animals that does not adhere to generally accepted ethical principles.

Further, without limiting the scope of the above statement by the following list, the president shall not:

1. Permit potential researchers to be without readily available guidelines for ethical research and assistance in identifying and solving ethical problems.
2. Permit research that has not been subject to independent ethical review.
