

# **BOARD OF GOVERNORS**

**Policy Type:** Executive Limitation  
**Approved:** November 21, 2006  
**Revised:** June 2018

## **EL-13 – Land Use**

The president shall not allow development of the campus or other college lands in a manner that is inconsistent with the production of Ends, environmentally irresponsible, aesthetically displeasing, or that does not make the most effective use of land.

Further, without limiting the scope of the above statement by the following list, the president shall not:

1. Operate without a long-term land use plan for future development that will avoid infrastructure redundancy and redevelopment costs.
2. Permit parking to form the predominant view of the campus.
3. Permit joint ventures or partnerships that do not provide for design and construction standards consistent with overall campus design.
4. Permit development that does not consider how to preserve the natural landscape.
5. Permit new construction or reconstruction that is not energy efficient.
