Mature applicants (those who are or will be 19 years of age or older by the last day of the term in which they applied) are eligible to complete Lethbridge College's Accuplacer testing to meet the English and/or Math admission requirements OR to attempt to receive higher competitive entry points in English and/or Math.

Scores from Accuplacer testing will be converted into competitive entry points for admission, with the higher points option for each subject area being used (high school grades, post-secondary course grades, or Accuplacer testing results).

To learn more or to have testing assigned, please contact Career & Academic Advising at 403-320-3366.

*If you are currently completing the higher levels of Biology, English and Math, please determine your interim competitive entry mark by your final percentage in the lower level course(s).

Note: For the Fall 2022 intake, the minimum score admitted applicants had was 45.
