¹ Students in these programs are required to purchase their own mobile learning device. Check your letter of admission or contact your program office for details - there are minimum requirements.

² Students in these programs are required to purchase a mobile learning device from the college. Check your admissions letter for more details or contact your program. Engineering/technology related program laptop costs are approximately \$2200 plus a \$100 access fee. For Digital Communications and Media the Mac Book Pro cost is approximately \$1,700 plus the \$100 access fee. Architectural Animation computer is approx. \$1,450 plus \$100 access fee, however an optional gaming computer may be purchased by the student independently for approx. \$3,000. In the second year of these programs only the access fee is charged. These costs are subject to change.

³ Interior Design Drafting Kit deposit is \$100.

⁴ After-degree nursing students take one 3 credit class at the U of L - this ~\$600 has been added to the supplies cost and will be displayed on the Student Aid Alberta loan application but students must pay the university themselves - the college cannot charge this or remit it to the university on behalf of the student.

⁵ Practical Nursing students are charged for their CPNRE exams after program completion - these costs are not part of the college program.

⁶ Students will be charged a medical/dental benefit fee unless they opt out by demonstrating alternative coverage - deadlines can be found at <http://mylcsa.com/services/health-dental>

⁷ International students are charged three times the tuition fee of their particular program and the same (other) fees as domestic students.
