

BAKER APPRENTICESHIP

Ready to mix your passion for baked goods into a career you love?

The Baker Apprenticeship program at Lethbridge College is delivered through a HyFlex format. The first four weeks will cover the theory component online or in person dependent on your location, with an intensive four-week lab on campus.

You'll acquire new skills and expand your expertise in the art of baking, including preparing cakes, pastries and quick breads. Gain organizational and management skills as you learn formula calculations to estimate baking requirements and daily menu planning.

8

WEEKS OF CLASSROOM TRAINING PER YEAR IN ADDITION TO ON THE JOB TRAINING.

2
