

# COOK APPRENTICESHIP (WATS)

## Ready to develop a recipe for a successful career?

Learn how to prepare, season and cook a variety of foods as well as baking pastries and creating showpieces in our Cook Apprenticeship program. You'll spend one day a week at the college, gaining technical training vital to your culinary future, and the rest of the week putting what you've learned into practice on the job. It's the perfect blend!
