Ready to change lives from within?

Gain the skills and hands-on experience you need to prepare for a rewarding and challenging career in corrections. After learning about risk assessment and management, principles of behaviour change, conflict resolution skills, criminology and psychology, you'll have the option to enrol in a practicum elective where you'll gain first-hand experience. Make a difference in the lives of others by choosing a career in corrections. Your Corrections diploma can ladder you into our four-year Bachelor of Criminal Justice program should you wish to further your criminal justice education.
