

CRIMINAL JUSTICE - POLICING

Ready to make a difference in your community?

Lethbridge College's Policing program will prepare you for the real-life situations that you'll face in your career in law enforcement. You'll gain insight into the criminal justice system, criminal and procedural law, and related topics. You'll then be able to apply those skills through hands-on learning in our state-of-the-art mock courtroom, judgment simulators and crisis lab. Your Policing diploma will ladder you into year three of our four-year Bachelor of Applied Arts in Justice Studies degree program.
