

> CULINARY ARTS

Ready to embrace your love of food?

As well-planned as a gourmet meal, our Culinary Arts program starts you off with an intensive three-week kitchen orientation followed by restaurant production methods and sweet and savoury techniques. For the main course, you'll be immersed in creating and preparing dining-room cuisine in our on-campus Garden Court Restaurant. And to finish it all off, we'll serve up a paid industry placement.

480

HOURS IN YOUR PAID INDUSTRY WORK PLACEMENT

100

NEARLY 100 PER CENT OF OUR GRADS HAVE A JOB WHEN THEY COMPLETE THE PROGRAM
