

> EARLY CHILDHOOD EDUCATION

Ready to help shape the next generation?

If you possess a caring attitude with a desire to make a difference in the lives of young children, you'll find a rewarding experience through Lethbridge College's Early Childhood Education programs. Offering both a one-year certificate and two-year diploma and full- or part-time online studies, our programs are designed to be flexible and suit your needs and lifestyle. Your certificate in Early Childhood Education will give you the knowledge and experience you need to start an enjoyable career, while the diploma enhances your job security and opens up additional opportunities for you to help children develop and learn intellectually, physically and emotionally.
