

# > PARTS TECHNICIAN APPRENTICESHIP (WATS)

## Ready to find a career that fits?

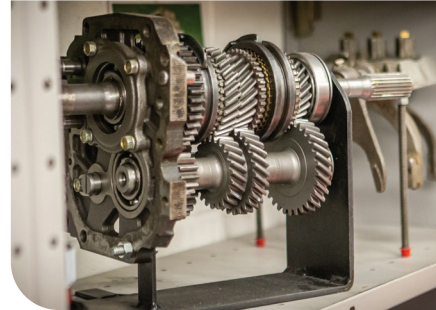

Be ready to be the go-to person for wholesale groups, retail businesses or warehouse distributors as you serve customers as a parts technician. In our weekly apprenticeship training program, you'll attend class with skilled instructors just one day a week for three years. The rest of the week? You'll be getting hands-on, quality training on the job – and earning a paycheque at the same time.
