

# GENERAL ARTS AND SCIENCE GENERAL DIPLOMA

## GENERAL ARTS & SCIENCE IS A GREAT PROGRAM OFFERING CHOICE AND FLEXIBILITY.

**A General Arts & Science diploma gives you the following benefits:**

- Use it as a pathway to a university degree!
  - Professional careers could include counselling, social work, & education.
- Complete your first two years here!
  - A package of courses transferable to university or other college programs.
- Choose your schedule!
  - Courses are offered online and/or on campus throughout the year.
- Learn through hands-on experience!
  - Opportunities to participate in Work Integrated Learning.
- Know your instructor!
  - Access to small classes where the instructor knows your name.

## EXPLORE YOUR PATH!

**Choose from an eclectic mix of courses to successfully complete 60 credits according to the following:**

- Core area: minimum of 30 credits
- Electives: any other post-secondary courses to bring total to 60 credits
- Include a minimum of 15 credits at the 2000 level

## EXPLORE YOUR FUTURE!

**Starting here can lead to many destinations!**

General Arts & Science provides you with the foundational skills that transfer easily to a wide variety of careers and academic programs ranging from teachers to social scientists, from business entrepreneurs to nurses, and much, much more.

# 95%

OF COURSES TRANSFERABLE  
TO COLLEGES AND UNIVERSITIES  
ACROSS CANADA AND THE WORLD.

# > GENERAL DIPLOMA

## EXPLORE YOUR DIPLOMA!

- A diploma includes both required core and optional courses which are called “approved electives”. Choose Core courses from the skill area lists on the facing page.
- Electives may be chosen from any post-secondary courses. Note not all classes have university transfer, so be sure to check the ACAT guide at [acat.gov.ab.ca](http://acat.gov.ab.ca).

## CORE AREA: MINIMUM OF 30 CREDITS FROM SKILL AREAS

Core Requirements: choose a minimum of 3 credits from each skill area				
Personal Skills	Social Sciences	Sciences	Humanities	English

Core Options: choose additional courses from the skill areas				
Personal Skills	Social Sciences	Sciences	Humanities	English

## ELECTIVES: CHOOSE A MINIMUM OF 30 CREDITS FROM ANY POST-SECONDARY COURSES

These elective courses are in addition to or over and above Core area requirements.				

## EXPLORE YOUR OPTIONS!

Choose your core requirements and options from the approved electives list of courses below.

- (DL) indicates courses which are also available through Online Learning.
- Not all courses are offered in each semester: some courses are offered in Fall or Winter semester or in alternating years
- Some course may have pre-requisites. Please consult the calendar for specific information.
- Electives: Any other post-secondary courses to bring the total to 60 credits.
- Courses are 3 credits each except \* courses (1.5 credits)
