# > CHOOSE COURSES OR A DIPLOMA PROGRAM

## GENERAL ARTS AND SCIENCE

*An affordable start to your education or a diploma course like no other*

Build a well-rounded foundation for further education in our General Arts and Science program. With readily transferable courses, flexible delivery methods and personal timetables, it's easy to create an education fit for your future in the General Arts and Science program.

**Choose from courses in the Sciences, Social Sciences, Fine Arts & Humanities.**

- 95% of courses transfer to other college and university programs across Canada and the world.
  - It's easy to organize the courses you take to fit elective requirements for a degree you can pursue later at another college or university.
- 

## BUSINESS ADMINISTRATION

*Business is our business*

You're ambitious, determined and motivated to succeed. Lay the foundation for your future achievements in the fast-paced, competitive business world with a diploma in Business Administration. You'll acquire basic business skills in your first year, and in your second, you'll tailor your education to your career aspirations in one of three majors: accounting, management and general business.

**With transfer agreements in place at institutions across Canada and around the globe, you can easily continue your education to earn your bachelor's degree or step right into a career upon graduation.**

- Take individual courses or complete the diploma in two years. Transfer to university (SAIT, AU, UL, Okanagan College, Royal Roads, Griffith University of Australia, Institute of Technology Carlow of Ireland, Institute of Technology Sligo of Ireland, Robert Gordon University of Scotland) and earn your bachelor's degree with just two more years of study.
  - Courses are recognized by the Chartered Professionals Accountants (CPA).
- 

## EXERCISE SCIENCE

*Ready to give your future a running start*

Turn your passion for a healthy, active lifestyle into a career you love in the Exercise Science program. Designed to help you earn fitness certifications before you graduate, the Exercise Science program will get you on your way to a fast-paced career helping people of all ages and abilities maintain their physical wellbeing. And you'll have plenty of practical opportunities to work with actual clients as you work towards certification.

- Earn your diploma in two years then transfer and earn your University of Lethbridge Health Sciences Public Health Degree in just two more years.
- 

## WHAT IS TRANSFER ALBERTA?

It's a provincial database holding information on course transfer between institutions in Alberta and Saskatchewan. Learn more about your transfer options at [transferalberta.ca](http://transferalberta.ca)

## WHAT ARE ELECTIVES?

Electives are courses you choose which are part of your diploma. These courses can be chosen to deepen your understanding, expand your knowledge, fulfil an interest, or set you on the path to a degree at another college or university. Degree programs at other college or universities often require a year or two of electives. You can fulfil many of those elective requirements with courses here at Lethbridge College.

## EXPLORE YOUR OPTIONS!
